

Programming for Everybody(Getting started with Python)

By Coursera

15/08/2020 (started Week 5 “**Conditional statements**” lesson on this course)

The screenshot shows a web browser window displaying a Coursera lecture page. The browser's address bar shows the URL `coursera.org/learn/python/lecture/e17Xm/3-1-conditional-statements`. The Coursera logo is in the top left, and the user's name, Nanditha R Shetty, is in the top right. The page title is "Programming for Everybody (Getting Started with Python) > Week 5 > 3.1 Conditional Statements". The main content area is titled "3.1 Conditional Statements" and features a video player showing a man in a pink shirt speaking. The video player has a progress bar at 0:12 / 14:20 and a yellow 'M' logo in the bottom right corner. To the left of the video player is a sidebar with "Lecture materials" including "Video: 3.1 Conditional Statements" (14 min), "Video: 3.2 More Conditional Statements" (17 min), "Review: Chapter 3", "Assignment: Chapter 3", and "Bonus: Chapter 3". Below the video player are buttons for "Save Note", "Discuss", and "Download". The Windows taskbar is visible at the bottom of the screen.
