

# Programming for Everybody(Getting started with Python)

By Coursera

6/08/2020 (Started Week 4 “**Expressions**” lesson on this course)

The screenshot shows a web browser window displaying a Coursera lecture page. The browser's address bar shows the URL `coursea.org/learn/python/lecture/YzVMj/2-1-expressions`. The Coursera logo is visible in the top left, and the user's name, Nanditha R Shetty, is in the top right. The page title is "Programming for Everybody (Getting Started with Python) > Week 4 > 2.1 - Expressions". On the left, a sidebar lists "Lecture materials" including three videos (2.1, 2.2, and 2.3) and a review, assignment, and bonus for Chapter 2. The main content area is titled "2.1 - Expressions" and features a video player. The video shows a man with a grey beard and a black shirt with an "Apple Education" logo, speaking and gesturing. The video player has a progress bar at 0:09 / 13:42 and icons for saving notes, discussing, and downloading. The Windows taskbar is visible at the bottom, showing various application icons and the system clock at 9:15 PM.
