

Programming for Everybody (Getting started with Python)

By Coursera

17/08/2020 (started Week 5 “**More Conditional statements**” lesson on this course)

The screenshot shows a web browser window with the Coursera website. The address bar displays the URL: coursera.org/learn/python/lecture/XJzA9/3-2-more-conditional-statements. The page title is "3.2 More Conditional Statements". On the left sidebar, under "Lecture materials", there is a list of items: "Video: 3.1 Conditional Statements" (14 min), "Video: 3.2 More Conditional Statements" (17 min) (which is selected), "Review: Chapter 3", "Assignment: Chapter 3", and "Bonus: Chapter 3". The main content area features a video player showing a man in a pink shirt speaking. Below the video player, there are buttons for "Save Note", "Discuss", "Download", "Share", and "P". The bottom of the browser window shows the Windows taskbar with various icons and the system clock indicating 9:35 PM on 8/17/2020.
